PERFECTION IN DETAIL

The TEXPORT® X-PULSATE family combines classic design with modern elegance.

The ergonomically tailored clothing offers very agreeable wear comfort thanks to the special stitching along with the elaborate finishing.

The new fabric (Nomex® / viscose) impresses with good mechanical values and light weight. The fabric remains colour-fast even after several washes and offers outstanding wash resistance.

X-PULSATE SOFTSHELL

The X-PULSATE Softshell is a breathable and very comfortably tailored jacket. It has an especially soft collar which fits very comfortably along the neck.

The jacket can be worn alone or in combination with the X-PULSATE Outdoor Jacket.

X-PULSATE AIRY

The X-PULSATE Airy is the jacket for cold days. It is made from a light and very durable nylon with a warm, G-Loft padded lining.

The jacket can be worn alone or in combination with the X-PULSATE Outdoor jacket.
